ment while finalising the concerned Bill. The Constitution (73rd Amendment) Bill relating to Urban Local Bodies was introduced in the Lok Sabha on 16.9.1991.

STATEMENT

Suggestions by all India Council of Mayors Relating to Constitution Amendment Bill.

1. Provision for automatic dissolution at the end of 5 years to be deleted.

2. Deletion of Clause 3 of Article 243 (E) which lays down that where election is held for a Panchayat in a mid-term poll period should be for remainder of the term.

3. No Municipality should be dissolved before expiry of term of 5 years.

4. Provision for supersession only on charges of grabe financial irregularities and after holding judicial enquiry.

5. Period of six months may be provided to take place report of Finance Commission and action taken thereon.

6. Provision relating to ward Committees should be deleted.

7. Parliament to be empowered to frame Model Acts for Municipal Corporation and Municipality.

Loan Licensing Scheme

996. SHRI MOHAN SINGH: Will the PRIME MINISTER be pleased to state:

(a) whether the Government propose to scrap the Loan Licensing Scheme by the end of 1991;

(b) if so, the details thereof; and

(c) the steps proposed to be taken to solve the problems, such as shortage of medicines that may arise due to the scrapping of the above scheme?

THE MINISTER OF STATE IN THE MINISTERY OF CHEMICALS AND FERTILIZERS (DR. CHINTA MOHAN): (a) to (c). In March, 1990 Government had announced its decision to extend upto 31-12-1991 the time limit for discontinuing the loan licensing system. However, a number of representations and suggestions have been received thereafter from the Industry in this regard and these are being comprehensively examined.

Production of Fertilizers at Aonla and Jagdishpur Factories

997. SHRI MOHAN SINGH: Will the PRIME MINISTER be pleased to state:

(a) whether the production of fertilizer has since been started in the gas based fertilizer factories of Aonla and Jagdishpur, Uttar Pradesh;

(b) whether the said factories are producing fertilisers at their full capacity; and

(c) the production capacity thereof and the quantity of fertilizer produced by them in the current year, separately?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIGERS (DR. CHINTA MOHAN): (a). Yes, Sir. Commercial production started in Aonla and Jagdishpur on 16.7.1988 and 1.11.1988, respectively.

(b) Yes, Sir.

(c) the production capacity in each of these factories is 7,26,000 tonnes per annum of urea and the quantities produced are given below:
